

Merry X-mas,

As you can tell I am very poor at writing, but I did want you to know that I ^{often} think back upon the kindness you ^{both} showed my son and I.

We both appreciated the time you spent with us and your hospitality. I heard you had been having some health problems I hope this card finds you improving.

I was able to get to Dallas for the conference they held on Nov. 22. There were some very interesting presentations. It seems like the more records that are ~~sent~~ released the more new information that comes to light.

Thanks again

I don't know if you get any of the new documents or articles or then from someone, but if you don't let me know ^{and} I will try to send you copies of the interesting ones.

Wishing you
Joy and Peace
this Holiday Season!
